

Andile Masina

Cape Town, Western Cape | 084 219 2037 | masinaa55@gmail.com | [linkedin.com/in/andile-masina-a099ba220](https://www.linkedin.com/in/andile-masina-a099ba220)

PROFILE

Third-year ICT student (Application Development) at Cape Peninsula University of Technology, with a completed Data Analytics Essentials certification and hands-on experience turning raw datasets into clear, decision-ready insights. Comfortable across the analytics workflow cleaning data, writing SQL queries, building dashboards in Power BI, and presenting findings with Python and Excel as daily tools.

TECHNICAL SKILLS

Languages & Tools: Python, SQL, Microsoft Excel (formulas, pivot tables), Power BI
Analytics: Data cleaning, exploratory data analysis, data visualization, dashboard design, reporting
Also comfortable with: HTML, CSS, Java, basic JavaScript, Git/GitHub

KEY PROJECTS

Olist E-Commerce Analytics *Personal project*

- Analysed a large e-commerce transaction dataset to identify sales trends, delivery performance, and customer satisfaction drivers.
- Cleaned and structured raw data, then built visualizations to communicate findings clearly.

Repository: <https://github.com/PamMasina/Olist-ecommerce-analytics>

Supermarket Sales Analysis *Personal project*

- Explored supermarket sales data to surface patterns in revenue, product performance, and customer behaviour.
- Produced summary visuals to support hypothetical business decision-making.

Repository: <https://github.com/PamMasina/Supermarket-Sales-Analysis>

Netflix Content Analysis Dashboard *Personal project*

- Analysed 8,800+ titles from Netflix's content catalogue using Power BI, building interactive visualizations (trend charts, geographic distribution, genre/rating breakdowns) to surface content strategy insights.

Repository: <https://github.com/PamMasina/netflix-content-analysis-dashboard>

CERTIFICATIONS

- Data Analytics Essentials - Cisco Networking Academy
- Data Science Essentials with Python - Cisco Networking Academy
- Data Analyst - Afrika Tikkun

EDUCATION

Diploma in Information & Communication Technology: Application Development

Cape Peninsula University of Technology | 2024 - Present (3rd year)

- Electives: Python and Data Analytics

Higher Certificate in Information Communication Technology

Cape Peninsula University of Technology | 2023 (Complete)

ADDITIONAL EXPERIENCE

Learner – Business Administration and Management

Apex Investment Holdings | 2021

- Completed a structured learnership covering business administration, budgeting, and basic financial concepts.
- Developed and presented business plans, building strong communication and problem-solving skills transferable to client-facing analytics work.
